

# Conway Hall AV Solutions

*in partnership with PF Events*

Conway Hall have partnered with PF Events to offer a specialist range of AV packages.

These packages are extra items, and are hired alongside the room and the in-house equipment, giving hirers the opportunity to further enhance their events using specialist AV equipment.

Please phone 020 8801 9005 to discuss your requirements and for prices. Charity and educational discounts are available.

10. Theatre Lighting Packages – Main hall

**CONWAY  
HALL**

## 1. Video Switcher Package for Conferences and Presentations

This package supplies a video switcher, laptops and a preview monitor. This allows for multiple laptops/video/cameras to be connected to the projector simultaneously, with the option to seamless switch between them.

Video switching is key to running slick conference events with multiple presentations, as it allows seamless switching between presentations and allows for holding slides to be used. Normally only one laptop can be connected to the projector at any one time.

Analog Way Smart VU Video Switcher.

## 2. High Powered Projector with Long Throw Lens

This package supplies a high-powered 6000-lumen projector with an ultra long throw lens. This allows for the projector to be set up on the balcony. This projector will be used with the venues large 4:3 projection screen.

This produces a much brighter, higher resolution image compared to the in-house projector, and means it avoids having the projector set up in the middle of the hall.

Full HD projectors are also available.

Panasonic PT-EX600 Projector.

### 3. Large 16:9 Screen for Film Screenings

This package supplies a large 14ft x 7ft 10inch 16:9 screen. This is a widescreen ratio, which is designed for films and modern presentations.

This is the largest screen that can fit on the stage at Conway Hall and produces a large dramatic image that is perfect for film festivals.

*16:9 Wide Screen.*

### 4. 50 inch Plasma Screen Package

This package supplies a 50" plasma screen on a K-base stand. It can be connected to a laptop, which can be used to display the running order of your event, presentations or for branding.

This could be positioned outside the entrance to the hall or next to a stand at a trade show.

*50" Panasonic Plasma Screen on K-base Stand.*

## 5. Basic Concert PA System

This package supplies a basic live music PA system suitable for a concert in Conway hall.

This includes a PA system for the main hall, stage monitors, live microphone kit and digital FOH control.

*Image of Roland M-400  
Digital Mixing Desk.*

## 6. Comprehensive Concert PA System

This package includes a comprehensive live music PA system suitable for a world-class artist. The equipment used in this package is of a higher specification than the basic package.

This includes A PA system that covers the main hall and the balcony, stage monitors, live microphone kit and digital FOH control.

*Midas Pro-2 Digital  
Mixing Desk.*

## 7. DJ Equipment Hire

This package contains DJ equipment suitable for a birthday party, concert or corporate event. Both vinyl and CD options are available.

We have a range of DJ equipment to suit all budgets.

*2x Pioneer CDJ2000 Decks and a Pioneer DJM2000 Mixer.*

## 8. Up-Lighting in the Foyer and Corridors

This package includes up lighting in the foyers and the corridors using small silver uplighters. This can be in a colour scheme to match your branding or event.

This lighting enhances the architecture of the building and helps to create a memorable ambience for your event.

## 9. Wedding and Event Lighting Package – Main Hall

These packages transform the main hall with lighting. This can help create the perfect environment for a wedding or function.

This design includes the following lighting elements:

- Up lighting in the main hall
- Coloured pattern wash of the hall floor
- Coloured wash of the ceiling

*Wedding Package 1.*

This photo is an example of one of the many designs available; please refer to the more detailed document Conway Hall Event Lighting Packages for more information.

## 10. Theatre Lighting Package

Conway hall is the ideal venue for a theatre show. The venues in house lighting rig is suitable for basic shows, we have a number of packages to suit more comprehensive shows. These packages include extra fixtures both generic and LED, dimmers, moving head lighting and full DMX control.

This image illustrates a theatre show on the floor in the main hall, 6x Source-4 profiles rigged on the balcony were used to wash the floor in white light.
